Pursuant to the Lockup Agreements, subject to certain exceptions, such Reporting Persons agreed not to offer, sell or transfer any shares of the Issuer's common stock or any securities convertible into or exercisable or exchangeable for shares of common stock, or enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the common stock, without the prior written consent of Morgan Stanley & Co. Pursuant to the Investors' Rights Agreement, the registration rights include demand registration rights beginning 180 days following the completion of the IPO, the filing of a registration statement on Form S-3 as soon as reasonably practicable after the Issuer is eligible to use Form S-3, together with takedown offerings thereunder from time to time, and certain "piggyback" registration rights. The registration rights terminate upon the earliest of (i) the date that is five years after the completion of the IPO, (ii) immediately prior to the completion of certain liquidation events and (iii) as to a given holder of registration rights, the date after the completion of the IPO when such holder of registration rights can sell all of such holder's registrable securities during any 90-day period pursuant to Rule 144 promulgated under the Securities Act.

Vista SPV Holdings joined as a party to the Investors' Rights Agreement in connection with the secondary purchases described in Item 3 above.
